Revision Date 10.19.20

This SDS adheres to the standards and regulatory requirements of the United States.

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION

1.1 Product: *Drywired Hand Sanitizer*

1.2 Recommended Use: Hand Sanitizer

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseeable use. Cosmetics and consumer products, specifically defined by regulations around the world, are exempt from the requirement of an SDS for the consumer. While this material is not considered hazardous, this SDS contains valuable information critical to the safe handling and proper use of the product for industrial workplace conditions as well as unusual and unintended exposures such as large spills. This SDS should be retained and available for employees and other users of this product.
